---

A motivated CSE student with strong software skills is actively seeking a dynamic role that leverages my robust communication, teamwork, and detail-oriented commitment to professional growth.

HARD SKILLS

- C
- SQL
- Html

SOFT SKILLS

- Communication skills
- Problem-solving
- self-motivation

EDUCATION

Malla reddy Engineering College, Hyderabad	dec 2024 - Present
Btech in Computer Science and Engineering	CGPA:7.5/10
Sri Bhashitha Junior College	June 2020 - Mar 2022
Intermediate in MPC	CGPA:86.9/10
ZPHS High School	June 2019 - Mar 2020
Board: SSC	CGPA:9.3/10

PROJECTS

BRAIN TUMAR SEGMENTATION USING DEEP NETWORKING

Proposed a technique for automated brain cancer diagnosis for the first time that is solely based on the analysis X-ray image. The proposed method integrates several interdisciplinary concepts such as statistical runs-test, local entropy and standard deviation- based tools, digital-geometric analysis, SVM classification, and decision tree.
